Additional Information

- If you are accessing funded hours over 38 weeks this equates to 30 hours per week. The government offer funding over 38 weeks of the year, the total hours being 1140. 30 hours per week x 38 weeks = 1140 hours. 1140 divided by 38 weeks = 30 hours per week
- Children attending their funded hours on a term time only contract, who also attend for additional privately funded hours will be charged for their wrap around hours in the holiday times. Any additional hours, required outside of the 38 weeks (as funded by Government) will be chargeable at the 'Private Funded Rate'.
- If you want to opt-out of the chargeable consumables, you can choose to bring a packed lunch that meets our nutrition and mealtimes policy.
- You can book ad-hoc hours outside of your permanent booking plan, you would need to ask the office at least a week prior to ensure we can accommodate the additional hours.

- If you want to change your booking contract, booking pattern or your child is leaving the nursery- we require four weeks paid notice to make the required changes.
